

Hello Englewood Parents,

For the 18-19 school year, we are trying something new. Our school will be purchasing all the school supplies needed for the year. The cost per student will be \$25. We will start accepting payments immediately.

WAYS TO PAY:

- Pay full amount to **Englewood Elementary** by check, money order or cash to the office, anytime. Checks by mail should have the student name(s) in the memo line. Mailing address: 1132 19th St NE, Salem OR 97301.
- Payments will also be accepted at the Open House on September 4th from 5:00-6:00 pm.
- Apply for a scholarship if you are in need of financial assistance. A scholarship allows you to pay what portion you are able to and apply for the remainder. It will be granted on a first come, first served basis.
- Set up a payment plan. Talk to office staff about a schedule that works for your family.
- With your payment, donate an additional amount to help out another student.

We hope this new system works well for your family, frees up time and gives our teachers just what they need. We welcome your feedback as always. Any questions call 503-399-3143.

Thank you,
Gary Etchemendy
